Important – Transit to Valle Verzasca year 2024

From February 2024 and until August 2024, there will be construction sites in Valle Verzasca that will restrict transit to buses.

For this reason, no special permits (over 12m) can be granted for an indefinite period. As an alternative, we recommend using the Postbus or the shuttle buses for a maximum of 8 people that are available.

For information on construction sites, please contact the Losone maintenance center:
